Egyptian Collegiate Programming (ECPC) :

ECPC Finalist × 2 2024 ,2025 [Certificate](#)

ECPC Contestant x3

Projects

Student Clearance System (إخلاء طرف)

A web-based system designed to automate the clearance process for university students. It streamlines coordination between departments like the Library, Student Affairs, and IT to ensure students fulfill all obligations before graduation or transfer. The system replaces manual paperwork with an efficient digital workflow
